Knowledge Mat- 3D Modelling

Sticky Knowledge

- ❑ I know that you can work in three dimensions on a computer.
- ❑ I know how to modify a digital 3D object.
- ❑ I know how to combine objects in a 3D model.
- ❑ I know how to create a 3D model for a given purpose.
- ❑ I know how to plan my own 3D model.
- ❑ I know how to create my own 3D model.

Subject Specific Vocabulary

2D	Two dimensional
3D	Three dimensional
shape	The external form of something
select	Choose as being the best or most suitable
move	Change position
perspective	Represent 3D objects on a 2D surface to give an impression of their height, depth and width
view	The ability to see something from a particular place
handle	Manage or control an object
resize	Alter the size of something
lift	Raise to a higher position or level
lower	Less high in position
recolour	Change or alter the colour of an object
rotate	Move in a circle round an axis or centre
duplicate	An identical copy of an object
group	Move together
combine	Join or merge to form a single object
construct	Build or make something using a particular program
Modify	Make partial or small changes to something to improve it
