Sticky Knowledge

- ❑ I know what a text adventure is.
- ❑ I can use 2Connect to plan a story adventure.
- ❑ I can create a story-based adventure using 2Create a Story.
- ❑ I can advance to using an alternative model for text adventure which has less sequential narrative.
- ❑ I can use written plans to code a map-based adventure in 2Code.

Aspirations

Computer coding
Graphic designer
Video game designer
Digital producer
Copywriter
Digital designer
