Sticky Knowledge

I can use different throws and catches to suit different situations.

I can bowl towards a target.

I can strike a ball into the field.

I can understand and follow numerous rules in a game.

I can work as a team and communicate an effective plan in a competitive situation

I can agree and explain rules to others

I can communicate a possible solution for an issue that may occur in a team situation.

I can promote fair play and consistently demonstrate sportsmanship

I can say why my own performance was better or not compared to my last.

I can provide positive feedback and a way to improve to another player.

At the end of this topic I will be able to:

Play competitive games, modified where appropriate (eg Rounders, cricket), and apply basic principles suitable for attacking and defending.

Aspirations

Professional player

Umpire

Tv/Radio Commentator

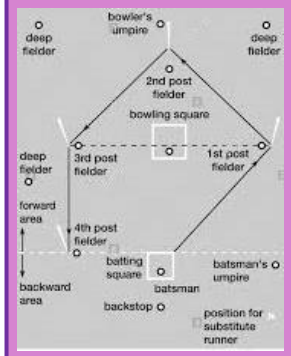

Related People

Kevin Pietersen – Although Kevin is South African by birth, he chose to play cricket for England. This was allowed because his mother is English. He did though go on to commentate on cricket matches for his home country of South Africa.
