Headteacher Mrs. A Walsh

11th March 2025

Dear Parents/Carers,

As part of our enrichment opportunities and in line with our topic 'what grows in the wild' we are delighted to have been able to secure a fabulous visit to the RHS Bridgewater botanical gardens which is a great opportunity for the year 1 and 2 children to understand more about plants and how important they are to us.

This will be taking place on **Tuesday 22nd April 2025**, please be mindful that this is the first day back after Easter half term.
Children will need to arrive in school at 8.45am ready for a 9am register and we will be leaving at **9:15** to ensure we get the full experience. Children will need to bring a packed lunch for the day. We will be back at school for normal home time.
Although the visit to RHS Bridgewater itself is free, the workshops are a paid for event therefore we are asking for a contribution of £10 per child, to cover the cost of the coach and the workshops. Each class will spend 90 minutes in a 'discovering plants' workshop.

Discovering Plants
Key Stage 1

In this interactive journey through the garden, pupils begin to understand how plants grow and what they need to thrive. From the smallest shoots to the largest trees, pupils identify the parts all plants share and how they are affected by the seasons. Pupils use magnifying glasses, tape measures and bark rubbings to make observations of a variety of trees, then plant a seed to take back to school and germinate.

Please return the slip below along with payment by Friday 28th March.
Thank you for your support. Miss Glynn and Mrs Davies

Name of child _____ Class_____

I give/do not give permission for my child to take part in the RHS Bridgewater trip. ☐

I will provide a packed lunch for my child/school will provide a packed lunch. Please complete the form attached ☐

I enclose £10 payment. ☐
